

Highest Quality Care For You and Your Baby

When you're having a baby, you want and deserve the highest-quality, personalized care throughout your journey. El Camino Health has been consistently recognized both regionally and nationally for excellence in caring for mothers and babies. Repeatedly named **"best place to have a baby"** by *Bay Area Parent* magazine, El Camino Health delivers more than 4,500 babies each year — and every mother and baby get the highest level of specialized, customized care available in the region.

Award-winning care, guidance and support during pregnancy, delivery and post-delivery

We're here throughout your pregnancy journey — for both you and your baby — before, during and after you give birth. You'll have access to:

- Lactation and breastfeeding support during your hospital stay and at home
- Lifestyle medicine, coaching and classes through our AIM to New Beginnings program for parents
- Special care for high-risk pregnancies
- On-site level 3 neonatal intensive care unit (NICU)
- Support for expectant or new mothers who experience perinatal mood disorders
- Virtual childbirth education classes
- El Camino Health's Babyscripts™ mobile app so you can track your pregnancy, your baby's development and their first year of life

Our top priority is the comfort and safety of you and your baby

El Camino Health provides private and spacious birthing suites with room for you, your baby and your partner. In Mountain View, our maternity center is a stand-alone building and secure wings within the main hospital. Our security measures and COVID-19 safety protocols ensure that you and your baby can rest easy.

When you choose El Camino Health, you can trust that you and your baby are in experienced, compassionate hands. El Camino Health has its own network of OB providers and specialized nurses as well as lactation consultants, neonatologists, maternal-fetal medicine specialists, sonographers and pediatricians. Our team is ready around the clock to support your childbirth plans and give you and your baby the healthiest, happiest start possible.

Award-Winning Care

Watson Health®

100 Top Hospitals® 2021

Fortune/IBM Watson Health 100 Top Hospitals® – El Camino Health and its Mountain View hospital have been named to the Fortune/IBM Watson Health 100 Top Hospitals® list and ranked #2 in the nation for top large community hospitals. El Camino Health was also named as a Top 100 Everest Award winner for being one of 20 healthcare providers on the list to achieve national benchmarks for both the fastest rate of improvement during the past five years and highest current year performance.

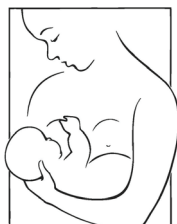

Centers for Medicare & Medicaid Services (CMS) 5-Star Overall Hospital Quality Rating – El Camino Health’s Los Gatos and Mountain View hospitals earned a 5-Star Overall Hospital Quality Rating from the Centers for Medicare & Medicaid Services (CMS) — the top rating of hospitals’ performance on 59 quality measures. El Camino Health’s hospitals exceeded the national mean scores in 23 measures.

‘A’ Grade in Leapfrog Hospital Safety Program – El Camino Health’s Mountain View hospital has earned an ‘A’ grade in the Leapfrog Hospital Safety Grade program, a national recognition of the health system’s commitment to providing safe, high-quality care to patients. Leapfrog measures publicly available safety data to grade more than 2,600 U.S. acute-care hospitals twice per year with A, B, C, D or F ratings based on their performance to prevent errors, injuries, accidents and infections.

Wirtschafter Award 2021 – The El Camino Hospital / NICU Family-Centered Care Committee in Mountain View has been awarded the CPQCC (California Perinatal Quality Care Collaborative) Wirtschafter Award 2021, which recognizes NICU QI teams that have contributed not only within their unit but across the neonatal community.

Newsweek Best Maternity Care Hospitals 2021 – El Camino Health’s hospital in Los Gatos has been named to *Newsweek’s* 2021 list of Best Maternity Care Hospitals, a distinction that recognizes facilities that have provided exceptional care to mothers, newborns and their families, as verified by the 2020 Leapfrog Hospital Survey.

Baby-Friendly® Hospital – El Camino Health’s Los Gatos hospital is the first in Santa Clara County to be designated as a Baby-Friendly® Hospital by Baby-Friendly USA. Developed by the World Health Organization and the United Nations Children’s Fund, the Baby-Friendly Hospital Initiative encourages and recognizes hospitals and birthing centers that offer an optimal level of care for breastfeeding mothers and their babies.

ANCC Magnet® Designation for Nursing Excellence – In January 2021 El Camino Health received Magnet® Designation by the American Nurses Credentialing Center (ANCC) for the fourth consecutive time for nursing excellence and quality patient care. Only eight percent of hospitals in the country have Magnet designation, and less than one percent are four-time designees.
