

## Value-Priced Medication List

In addition to the discounts on thousands of brand-name and all generic medications that Walgreens Prescription Savings Club members enjoy, club members may now receive even deeper discounts on these 700+ generics through a three-tier formulary.\*

The price for a generic drug is based on its tier and whether it is a 30-day or 90-day supply:

- 30-day-supply drugs cost \$5 (tier 1), \$10 (tier 2) or \$15 (tier 3)
- 90-day-supply drugs cost \$10 (tier 1), \$20 (tier 2) or \$30 (tier 3)
