

PlaneTree Health Library

PlaneTree Health Library is a comprehensive consumer health and medical library, free and open to the public. The library provides access to information to enable non-physicians to make informed decisions about their health.

The extensive collection of current, useful health information is provided in a variety of formats. Resources range from easy-to-understand materials to the technical, professional literature. The computer services feature internet access, including health sites not publicly available, and help with online searching. The staff is knowledgeable and helpful.

PlaneTree covers both conventional and complementary (alternative) therapies. Some books, articles, and videos are available in Spanish with bi-lingual assistance available.

PlaneTree Health Library is located in Mission Oaks Hospital at 15891 Los Gatos-Almaden Road in Los Gatos, CA. The phone number is (408) 358-5667.
